

Shanhe Intelligent Rock Drill Drilling

The SWPDT125 deep well casing truck mounted drilling rig is the intelligent crystallization of Shanhe Intelligent's continuous utilization of its "pioneering innovation" advantages and more ...

Performance Characteristics of Sunhe Intelligent SWDM220 Rotary Drilling Rig 1. Super durable and reliable bearing The drilling reaction force of the rotary drilling rig is transmitted from the ...

Good reliability and stability: Shanhe Intelligent SWDTH100H down-the-hole drilling rig uses high-strength steel and wear-resistant accessories, which has high reliability and stability.

Mud Logging Intelligent Software System, cloud platform, mud logging solutions Provide drilling parameters monitoring and formation evaluations.

As the pioneer of high-end rock drilling equipment in China, Sunward Intelligence upholds "Pilot innovation" Idea, Actively promote high-end manufacturing industry? Intelligent ...

Shanghai Shenkai Petroleum Equipment Co., Ltd., a wholly-owned subsidiary of Shenkai Enterprise, is a high-tech company specializing in the research, development, and ...

Recently, Shanhe Intelligent Full Hydraulic Open-pit Rock Drilling Rig Family has launched a new SWDH102S full hydraulic open-pit rock drilling rig. The high-reliability SWDH102S full ...

The down-the-hole drill can work smoothly in the plateau of Huoshaoyun Lead-Zinc Mine at an altitude of 5600 meters., It further proves that the drilling equipment of Sunward Intelligence ...

The application of artificial intelligence (AI) has become inevitable in the petroleum industry. In drilling and completion engineering, AI is regarded as a transformative technology ...

At present, the market share of Shanhe intelligent surface rock drilling equipment has reached the first place in China, and a series of products are exported to the global market, which are ...

SWDM360H Performance Characteristics of Shanhe Intelligent SWDM360H Rotary Drilling Rig 1. Special chassis Special hydraulic telescopic chassis for rotary excavation, the main and ...

5. Multi-functional expansion of high-value embodiment Shanhe intelligent rotary drilling rig has a variety of configurations for you to choose from, to achieve-machine multi-function, diversified ...

By reviewing the current status of drilling fluid technologies with primary intelligence features at home and

Shanhe Intelligent Rock Drill Drilling

abroad, the development background and intelligent response ...

On April 29th, the Rock Drilling Equipment Division of Shanhe Intelligent Equipment Group was officially relocated to the Third Industrial Park. The "trinity" management ...

The multi-functional rotary drilling rig with high technical level, rapid construction and wide application range represented by cast-in-place pile has strong vitality. Shanhe ...

In 2002, Shanhe Intelligence became the only host manufacturer in China that had independent intellectual property rights and was able to independently develop rotary rig control software. ...

The SWDH89A open-air hydraulic drilling rig involved in PK was independently developed by Shanhe Intelligent Rock Drilling Equipment Research Institute. After several ...

Shanhe Intelligent adheres to "pioneering innovation" and has created an intelligent and unmanned product cluster in the field of emergency rescue. The two products showcased in ...

Intelligent drilling has obtained a lot of attention in mining engineering, oil and gas production, and tunnelling engineering. The optimization of drilling parameters is one of the most important ...

Shanghai Shenkai Petroleum Drilling & Evaluation Technology Co., LTD is a wholly-owned subsidiary of Shenkai enterprise and a strategic partner of General Electric (GE) in while ...

Aiming at the identification task of surrounding rock grade in tunnel construction by drill jumbo, this paper proposes an intelligent identification method of surrounding rock grade combined ...

On September 27th, Shanhe Intelligent held a grand ceremony for the delivery of SWPDT135 deep well casing truck mounted drilling rig and SWPDC110 deep well crawler drilling rig.

The SWDH89A open-air hydraulic drilling rig involved in PK was independently developed by Shanhe Intelligent Rock Drilling Equipment Research Institute. After several years of industrial ...

In 2019, Jiangxi WOSERLD Hydraulic Rock Drilling Co., Ltd. was established in Pingxiang, Jiangxi Province. Over the years, WOSERLD has gradually become one of the globally ...

At the exchange meeting, Shu Minfei, general manager of Shanhe Mine, issued a construction record certificate of drilling 42888 meters per month to Andre and the rig operator. ...

????????:"???"("??"??????,"??"????????????????),??????200?????,?????????????????? ...

The SWDM220 and SWDM300H rotary drilling rigs have continued the consistent characteristics of Shanhe

Shanhe Intelligent Rock Drill Drilling

Intelligent Rotary Drilling Rigs. They are applicable ...

In 2003, China's first integrated down-the-hole drilling rig with independent intellectual property rights was successfully launched in Shanhe Intelligent. With high technical standards, the ...

Shanhe Intelligent has a deep technical foundation in the field of modern rock drilling equipment. Shanhe intelligent integrated hydraulic submersible drilling rig is a new product that is ...
