

Singapore cheap screw air compressor direct sales price

Where to buy air compressors in Singapore?

Lian Beng Machinery Co. has made a name for itself in Singapore as the top supplier of air compressors for both commercial and residential use. In addition to selling a broad selection of air compressors like MonsterAir and its serviceable parts, they also provide other machines used in construction, food processes, cleaning, and gardening.

Why should you buy an air compressor in Singapore?

Built for efficiency and performance, each air compressor converts power into stored energy, releasing it as kinetic energy to handle even the toughest tasks with ease. Aik Chin Hin is a trusted supplier of air conditioner compressors in Singapore. We offer durable air compressor products from renowned brands.

What is a rotary screw air compressor?

The entire rotary screw air compressor is designed to run at high speeds while delivering a high flow rate in a compact package. Due to its heavy duty and high performance nature, this type of screw air compressor is often used for hazardous or rugged working environments. It also lasts quite long with regular maintenance.

What is oil-free air compressor & screw air compressor?

Oil-free air compressors and screw air compressors follow this principle. Utilising centrifugal force, the kinetic energy is transferred. This method is responsible for creating pressurised air inside the air compressor tank.

What is a preair oil free screw compressor?

Preair oil free screw compressors adopt the two stage compression technology, which not only increases the efficiency of compression, but also avoids the negative influence from the high discharge air temperature and increases the reliability and running life of air end.
