

South Africa Engineering Drilling Rig Price Inquiry

How much do drilling rig operators make in South Africa?

Salary estimates based on salary survey data collected directly from employers and anonymous employees in South Africa. An entry level drilling rig operator (1-3 years of experience) earns an average salary of R252,240. On the other end, a senior level drilling rig operator (8+ years of experience) earns an average salary of R431,445.

Who makes a drill rig?

Smith Capital Equipment has been manufacturing Auger and DTH drill rigs for over 4 decades and our products include auger and down-the-hole rigs. Typically these are mounted onto either trucks, tractors or crawler tracks, but we have successfully supplied customised rigs for many applications.

What is an Elgi DTH rig?

An on-board ELGI compressor is also fitted onto this same truck carrier to make it an all in one DTH system. This DTH unit has a unique rock drilling capability and is very popular in South Africa. This down-the-hole (DTH) drilling rig is designed for percussion drilling in hard rock.

What is a DTH drilling rig?

This DTH unit has a unique rock drilling capability and is very popular in South Africa. This down-the-hole (DTH) drilling rig is designed for percussion drilling in hard rock. This drilling rig is fitted without a compressor on-board the same carrier. It requires a separate compressor to drive the hammer and bit combination.

Who is drilling equipment & logistics?

We are a specialist procurement company that supplies drilling equipment and logistics for the exploration drilling industry throughout Southern Africa. We source superior-quality products through our extensive international and local supplier network, and deliver these products swiftly and at a competitive price to the drill site.

What drilling rigs do you use?

Our common drilling rigs are the 310RC, 510RC and 620RC units. They are built to handle either 3m, 5m or 6m long Drilling Rods. They have a pullback force of 10 ton or 20 ton with the hold back feature as standard. We mount these units on trailers, trucks or crawler tracks depending on the requirement.
