

# Tutorial on converting a rock drill into a hair drill

How do you style a drill hairstyle for short hair?

Volume is crucial for short hair when styling the drill hairstyle. According to celebrity hairstylist Jen Atkin, "For short hair, focus on creating volume and texture to mimic the drill effect. Use teasing and texturizing products to build height." Blow-dry your hair using a round brush, lifting at the roots to create as much volume as possible.

Is a drill hairstyle good if you have short hair?

The drill hairstyle is one of those bold, eye-catching looks that can instantly elevate your style. Known for its sharp twists and defined spirals, it's a confident statement that demands attention. But what if you have short hair? Can you still achieve this iconic look? Absolutely!

How do you make a hair drill shape?

Once your hair is dry, divide it into small sections. These sections will be twisted into the drill shape. The size of each section depends on the level of detail you want--smaller sections create a more intricate look, while larger sections offer a more dramatic effect. 1. Twist and Pin Take a section of hair and twist it tightly from root to tip.

Lift the hair above where you will sew the drill into the wig and hold with hair clips. The dotted white line shows where I sewed. Try to sew into the ...
