

Weifang diesel down-the-hole drill rig price list

Who makes the best DTH drilling rigs?

As one of the most professional DTH drilling rig manufacturers. YG Machinery has developed and produced a series of down-the-hole drilling rigs of different models. And almost all have become hot-selling models. In addition, our down-the-hole drilling rigs are sold to many countries and regions in the world.

What types of drilling rigs does YG machinery offer?

YG Machinery provides you with the most common types of drilling rigs, for example, water well drilling machine, core drilling rig machine, anchor drilling machine, and rotary drilling machine. If you want to get the down-the-hole hammer drill rig price, you can click the button above to get more information.

What are the different types of DTH drilling rigs?

According to the different hole diameters, it can be divided into light DTH drilling rig (with a hole diameter of 70-120mm), medium-size DTH drilling rig (with a hole diameter of 150mm), heavy-duty DTH drilling rig (with a hole diameter of 200mm), and extra heavy DTH drilling rig (the hole diameter is 250mm).

What are the different types of drilling rigs?

According to the power configuration of the drilling rig, it can be divided into diesel-powered down the hole drilling rig, diesel-electric dual-purpose down the hole drilling rig, electric down-the-hole drilling rig (need to be customized).

What is a down-the-hole drill rig?

The rock drilling principle of a down-the-hole drill machine is the same as a heavy-duty rock drill rig. The difference is that the impact mechanism of the down-the-hole drill - is a down-the-hole impactor. It is installed at the front end of the drill rod, and at the bottom of the manhole.

How does a down the hole drilling rig work?

The down the hole drilling rig uses electric energy as power, with low noise and strong power. The drilling speed is 3-8 times that of general rock drills, the rock hardness reaches 9 and the drilling depth is 8-16 meters per hour.

As a dedicated manufacturer, we excel in the design, development, production, and sales of an impressive array of drilling rigs. Our remarkable product portfolio boasts cutting-edge oil and ...

Smith Capital Equipment has been manufacturing Auger and DTH drill rigs for over 4 decades and our products include augering and down-the-hole rigs. Typically these are mounted onto ...

Online Customization Weifang Junwei Machinery Co Ltd. is located in the beautiful international kite capital,

Weifang diesel down-the-hole drill rig price list

Weifang City, Shandong Province, is a large enterprise producing diesel ...

The KG590/KG590H down the hole drill rig for open use is an improved device in compliance with national regulations on diesel-engine emissions. Equipped with the Yuchai four-cylinder ...

The KT25 integrated down the hole drill rig for open use can drilling vertical, inclined and horizontal holes, mainly used for open-pit mine, stonework ...

DTH drilling, also known as Down-the-Hole drilling, is a method used to drill boreholes into the earth's surface. This technique involves a hammer that is ...

DTH Drill, also called shallow surface drill rigs and rock drills, combine performance and economy, making them ideal for quarries or construction sites. Yugong rigs offer excellent ...

A down-the-hole drill, usually called DTH Drilling Rig, is basically a mini jackhammer screwed on the bottom of a drill string. The speedy hammer ...

Down-the-hole D470D drill rig: drills 138-165mm holes up to 30m deep, with a Cummins engine, heavy-duty boom, and 21m³/min compressor. 2000-hour/1-year warranty.

The DTH drilling rig (down-the-hole) is a highly efficient rock drilling equipment used in open-pit mines, stonework projects, road construction, and other scenarios. It is also called a shallow ...

The reason customer want to drill the hole is that drill and blast is the most efficient and economic way to break rock instead of excavating it. ...

KAISHAN High performance KT12 Kaishan DTH Diesel Crawler Down the Hole Blasting Mining Drill Rig for mine blasting hole KT12 integrated DTH drilling rig takes Cummins Guosan diesel ...

An integrated down the hole drilling machine, also known as a one-piece drill rig, or crawler DTH drilling rig is a powerful and versatile machine used in the ...

Ranging in size from small, limited access drilling rigs to large platform/big performance sonic drilling rigs, our drill rigs cover a range of applications.

Find blast hole drills for sale from wholesalers in China. Shop for mine drilling rig from Alibaba and enjoy favorable price points for ground excavators.

The KG420S down the hole drill rig for open use is an improved device in compliance with national regulations in diesel-engine emissions. The drill rig is equipped with ...

Weifang diesel down-the-hole drill rig price list

Down-the-hole D460A drill rig: handles 115-152mm holes up to 35m deep, with a Cummins engine, heavy-duty boom, and hydraulic feed. Includes a 2000 ...

Down-the-hole D470D drill rig: drills 138-165mm holes up to 30m deep, with a Cummins engine, heavy-duty boom, and 21m³/min compressor. 2000-hour/1 ...

Our intelligent surface drill rigs bring the latest technology to surface mining applications. Designed to work in the toughest operating conditions, our ...

Leopard(TM) DI560 is a highly mobile, compact, diesel-powered down-the-hole (DTH) drill designed for DTH blasthole drilling in mining, quarry and ...

MWYX series products have the characteristics of high efficiency, environmental protection, energy saving and safety automatic drill change and powerful off ...

1, Guangxi Yuchai diesel engine, strong power; 2, the patented design of the composite boom, double cylinder lift, long trip, high tonnage 3, Each rig is equipped with stoppers to raise the ...

Drilling Depth Max.50m Place of Origin Henan, China Weight 450 KG Warranty 2 years Core Components motor, Bearing, Engine, Other Key Selling Points DTH Drilling Rig Brand Name ...

Leopard(TM) DI650i new Manufacturer: Sandvik Surface down-the-hole drill rigs Leopard(TM) DI650i Leopard(TM) DI650i is an intelligent diesel-powered, self-contained, crawler-mounted down-the ...

Buy the portable DTH drilling machine from YG, which is a high-efficiency down-the-hole drill rig. Click here to know the DTH machine price.

Introduction to Water Well Drilling Machine Products OUHAN series water well drilling rig is a lightweight, efficient and multifunctional drilling equipment, it is mainly applicable to industrial ...

YG DTH hammer drilling rig is a powerful, precise, and efficient machine for mining, water wells, geothermal, and foundation projects worldwide.

Down The Hole Hammer Drill Rigs for Mining, the ZEGA D470A's diesel-powered, down-the-hole (DTH) drill has excellent mobility, a smaller footprint and the ability to serve multiple sites. It is ...
