

What are the specifications of down-the-hole drill models

Designed to drill holes from 127-200 mm (5.0-7.87 in) in diameter, the MD6200 is optimized for single-pass or multi-pass drilling in both rotary and down-the ...

It features a limestone, aggregate quarries and unique VL 140 pneumatic rock drill. surface mining applications. This rig is a rugged, versatile machine which can take on tough tasks in rough ...

HAMMERS

With the RH-series of DTH hammers, we offer one of the world's most complete down-the-hole drilling solutions. The offering covers hammer sizes from 3 to 8 inches; ...

The KG726III/KG726HIII DTH drill rig for open use is an improved device in compliance with national regulations on environmental protection. Equipped ...

Designed to drill holes from 127-200 mm (5.0-7.87 in) in diameter, the MD6200 is optimized for single-pass or multi-pass drilling in both rotary and down-the-hole drilling modes.

RH560 Down-the-hole hammers RH560 DTH hammer is a robust, reliable addition to surface mining and long-haul production drilling operations. It increases speed and lowers drilling cost ...

The KG320/KG320H down the hole drill rig for open use is an improved device in compliance with national regulations on environmental protection.

The drill bits are fitted with Sandvik's proprietary cemented carbide buttons, which are designed to drill further in any rock condition. The bodies are made from ...

And it's infused with the latest technologies that increase productivity and allow for autonomous drilling--improving the efficiency of all downstream ...

Designed to drill holes from 165-250 mm (6.5-9.875 in) in diameter, the MD6250 is optimized for single-pass or multi-pass drilling in both rotary and down-the ...

FRD Furukawa reserves the right to change specifications without prior notice. The document provides an overview of FRD Furukawa's new lineup of ...

What are the specifications of down-the-hole drill models

This page provides you with SANDVIK DR540 down-the-hole drill rig parameters, prices, pictures and other information. It is the main website for your SANDVIK DR540 down-the-hole drill rig ...

The KG726III/KG726HIII DTH drill rig for open use is an improved device in compliance with national regulations on environmental protection. Equipped with the Yuchai engine (China III), ...

The AirROC D35* is the smallest and most popular of our crawler mounted, Down-the-Hole drilling rigs. This robust pneumatic rig is self propelled, easy to operate and simple to maintain. ...

Down-the-hole D470D drill rig: drills 138-165mm holes up to 30m deep, with a Cummins engine, heavy-duty boom, and 21m³/min compressor. 2000-hour/1 ...

Discover the impact of Down the Hole Hammers (DTH hammers) in urban redevelopment projects. Learn how these specialized tools enable ...

TECHNICAL SPECIFICATION Sandvik DR410i is a diesel-powered, self-propelled, crawler-mounted blasthole drill for surface mining. It is standard equipped for rotary with optional down ...

CENTER ROCK products boast a formidable range of down-the-hole (DTH) hammers, presenting a suite of drills and downhole bits spanning 3.5" - 48" ...

DCR20 Down-the-Hole-Drill The DCR20 has established itself as a reliable, productive maintenance resource for drilling operations around the world. These drills upkeep or repair. ...

Consequently, the drill pipe is mandated to possess ample strength, stiffness, and impact toughness. Additionally, the diameter of the drill ...

TECHNICALSPECIFICATION The Sandvik D25KS is a diesel powered, propelled crawler mounted blasthole and large scale quarrying. This production complete with a high pressure ...

Furukawa Rock Drill Co., Ltd. has developed the DCR L130-F5, a new series of down-the-hole drills for the U.S. and Europe, and began selling ...

Flat Face - For hard rock formations where a very durable head is required. The flat face design is very stable and forgiving in fractured, voided or unconsolidated formations. The flat face ...

The DCRL130, from Furukawa FRD, is an environmentally friendly & compliant rock drill that is proven, reliable & high-performing while conforming to market ...
