Trust us for sales and service of premium air compressors in NZ. The team at Ash Air has an extensive range of top quality vacuum pumps and equipment, including rotary vane pumps, liquid ring pumps, claw pumps and screw pumps that are low maintenance, energy-efficient, reliable, affordable and hard working.

Where can I find a rotary screw air compressor?

If you are looking for screw compressors, Ash Air's range of Chicago Pneumatic, ALUP, and wisAIR has your compressed air solutions. Browse our range of rotary compressors on this page or reach out to us for assistance in choosing the best screw compressor for your needs. Explore our Rotary Screw Air Compressor Selection

Why do you need a screw compressor?

Screw compressors are ideal for applications demanding high volumes of compressed air and continuous operation. Unlike other types, they eliminate the need for cooling pauses, ensuring uninterrupted air production.

Are screw compressors a good choice for your business?

Screw compressors are a reliable choice for businesses that need a steady, uninterrupted flow of compressed air. Thanks to their rotary screw technology, these machines operate efficiently and with low vibration--even during long hours of use.

Where are Chicago rotary screw air compressors made?

Chicago Pneumatic and ALUP rotary screw compressors are manufactured in Europe and offer modern design, proven technology, and reliability. Chicago Pneumatic rotary screw air compressors are built on the very robust platform and feature state of the art controller and high-efficiency screw element.

Are rotary screw air compressors oil-free?

We're proud to offer an oil-free range of screw air compressors to our NZ customers as well. Our rotary screw air compressors range from 4kW to 200kW. If you are looking for screw compressors, Ash Air's range of Chicago Pneumatic, ALUP, and wisAIR has your compressed air solutions.
