Does United Rentals offer air compressors?

United Rentals offers a variety of air compressors for your site. You can power up air tools or air up the tires on your ride-on equipment with this durable air compressor. This compressor is designed to be compliant with EPA regulations on diesel engines. Trust the United Rentals fleet of air compressors to meet the needs of your project.

Can a temporary compressor be installed outside a compressor room?

In most emergency situations, the temporary compressor installation will be placed outside your compressor room. Make sure the compressor configuration is up to the challenge to be able to provide a reliable compressed air supply.

What is a compressed air lease?

Typically, compressed air installations are configured to cater your peak demands. When your compressed air demands fluctuates significantly (eg due to peaks, projects, seasonality...) you can consider a (partial) compressor lease. This limits the costs of ownership: depreciation, maintenance, downtime...

Should you lease a compressor?
