

Yangjiang Engineering Drilling Rig Customization Hotline

Who is YG drilling equipment?

YG drilling Equipment factory was founded in 2003. YG Machinery integrates R&D, production and sales after 18 years of development. We have a series of drilling rig suitable for different engineering projects. YG Machinery is a team of over 100 people. Our sales manager will solve your pre-sales problems online 24/7.

Why do you need a drilling rig?

Various drilling rigs provide a great convenience for geological exploration, engineering construction, water well drilling, and road and bridge foundation construction. Contact us now!

How many employees does Henan YG machinery have?

Currently has a factory, three offices, more than 200 employees. Office: 2602, Block B of Jingsha Plaza, Jingguang Road, Erqi District, Zhengzhou City, Henan Province. Henan YG Machinery is a professional machinery manufacturer, specializing in environmental protection, prestressed, cutting and rebar processing equipment.

CSD3000 core drilling rig is specially designed for diamond core drilling. It provides precise control on the drilling capacity. The drill head is designed to slide and dump, together with the ...

1. YGL-C- Seires drilling rig has been widely used in pipe sheds drilling of the tunnel construction, grouting reinforcing hole drilling. 2. Applied in drain hole and large tonnage prestressing ...

Engineering Drilling Rig Hydraulic Piling Rig Machine, Find Details and Price about Rock Drill Rotary Hydraulic Pile Driver from Engineering Drilling Rig Hydraulic Piling Rig Machine - ...

LD100 pneumatic rock borehole drilling rig is a high adaptability pneumatic DTH drill, it has simple structure, easy operation, low price, energy saving. The DTH drill can also drill vertical and ...

Due to the different purposes and construction objects of geotechnical drilling and excavation works, there are more types of drilling rigs. Drilling rigs can be categorized according to their ...

Products include crawler rotary drilling rig, wheel rotary drilling rig, long screw rotary drilling rig and diesel hammer pile driver and other engineering ...

For more than 27 years, Loadmaster* companies have been at the forefront of rig design, development, and manufacturing of some of the most innovative, versatile, and cost-efficient ...

Beijing BOMCO · Introduction Beijing BOMCO Offshore Petroleum Engineering Technology Co.,

Yangjiang Engineering Drilling Rig Customization Hotline

Ltd. (BOMCOBJ), with previous name BOMCO ...

The main products include : C5 mobile crawler-mounted surface coring drill rig with the drilling capacity 1200m (NQ), TDR-50 multifunction top drive rig, Horizontal Directional Drill (HDD) ...

Products include crawler rotary drilling rig, wheel rotary drilling rig, long screw rotary drilling rig and diesel hammer pile driver and other engineering machinery. DR series small rotary drilling ...

Hydraulic Core Drilling Rig YG core drilling rig is a multifunctional core drilling rig, mainly used for shallow hole core drilling with diamond or carbide drill bits. It is also suitable for engineering ...

Hebei Yongming Geological Engineering Machinery Co., Ltd. has multiple specialized manufacturing plants, including a drilling rig factory, a mud pump factory, a drilling tool factory, ...

Drilling rig engineering and design focuses on developing high-performance, safe, and durable rigs for the oil and gas industry. By following API 4F standards, these designs ensure that rigs ...

Drilling Rig Repair or Upgrades Guice Oilfield works on an average of 250 rigs per year, and we are able to have experts on location anywhere in the lower 48 within 24 hours to keep your ...

High Quality Engineering Machinery Rotary Drilling Rig with ISO Certification, Find Details and Price about Drill Machine Engineering Drilling Rig from High Quality Engineering Machinery ...

Find company research, competitor information, contact details & financial data for Yangjiang Runjin Drilling Engineering Co., Ltd. of Yangjiang, Guangdong. Get the latest business insights ...

It is used in drilling the drain hole and large tonnage prestressed anchoring hole of the geotechnical engineering such as the side slope of dam construction, railway, highways, etc.

Yugong Machinery is a manufacturer of drilling rigs, excavator attachments, pile drivers, concrete pumps, and other machinery with 20 years of manufacturing experience and its products are ...

Compare mobile, stationary, and automated drilling rigs--explore their benefits, limitations, and how to choose the best rig for your project.

YG MACHINERY is one of the most professional water drilling machine manufacturers and suppliers in China, featured by quality products and competitive price. Please feel free to ...

YG can supply you with various construction engineering, drilling rigs, and automatic vending machines at high quality and competitive prices!

Yangjiang Engineering Drilling Rig Customization Hotline

The ZJ-70 Series anchor engineering drill rig is the result of incorporating the strengths of our company's ZJ series drilling rigs. By strategically distributing the performance parameters, we ...

YG core drilling rig is a multifunctional core drilling rig, mainly used for shallow hole core drilling with diamond or carbide drill bits. It is also suitable for engineering geological survey, ...

Top Engineering Drilling Rig Manufacturers and Suppliers in China China has emerged as a global powerhouse in manufacturing engineering drilling rigs, with many ...

Sonic Sonic drilling rigs are known for their advanced technology and high efficiency, making them ideal for a variety of drilling applications, including ...
