

Yiyang down-the-hole drilling rig quotation

What is a down the hole drilling rig?

Down the hole drilling rig is an impact rotary drilling rig. Its internal structure is different from that of a general rock drill.

Who makes the best DTH drilling rigs?

As one of the most professional DTH drilling rig manufacturers, YG Machinery has developed and produced a series of down-the-hole drilling rigs of different models. And almost all have become hot-selling models. In addition, our down-the-hole drilling rigs are sold to many countries and regions in the world.

What is a YGL drill rig?

YGL type low-pressure crawler DTH drilling machine: left and right walking pressure: 13~14MPa, advancing pressure 10~11MPa, rotation pressure 8~9MPa. YGM type medium-pressure down-the-hole drill rig: left and right walking pressure: 17~18MPa, advancing pressure 12~16MPa, rotation pressure 10~14MPa.

What is a DTH rig used for?

Ideal for mining exploration, quarry operations, water well drilling, and construction projects, DTH rigs deliver unmatched performance in hard rock formations. Powerful Performance: High-torque engines and advanced DTH hammers ensure rapid drilling in tough geological conditions.

What is the pressure of YGL drill rigs?

The pressure of all the company's drill rigs has been set before leaving the factory: YGL type low-pressure crawler DTH drilling machine: left and right walking pressure: 13~14MPa, advancing pressure 10~11MPa, rotation pressure 8~9MPa.

We keep a full range of surface down-the-hole drill rigs in stock, ready to ship without delay. Built for power and precision, our rigs ensure deep and efficient drilling in tough ground conditions. ...

DTH hammer is used for drilling holes through a wide range of rock types, the variety of which continues to extend well beyond the original conception of early blast hole drilling. Down-the ...

Surface Drill Rigs Surface Down-the-Hole Drill Rigs Rotary Blasthole Drilling Rig, KG310/KG310H Hole diameter: 780-105mm Hole depth: 20m Feed extension travel: 2670mm Trimming ...

YG specialize in the production of DTH drilling machine. Ideal choice for blasting holes in limestone, bluestone, granite, soil, etc.

The down-the-hole drilling rig usually has an automatic control system that can achieve precise drilling

Yiyang down-the-hole drilling rig quotation

positioning and depth control, improving work efficiency and drilling quality.

DTH drilling machine, also known as down hole drilling machine, is a professional equipment designed for drilling operations in rock formations. It transmits power directly to the bottom of ...

A down-the-hole drill, usually called DTH Drilling Rig, is basically a mini jackhammer screwed on the bottom of a drill string. The speedy hammer ...

Down-the-hole drilling rigs | Choosing the right drilling rig You could need a drilling rig for a multitude of applications, for example to drill a well to access a ...

Product Description KQG-150 Mining down the hole drilling rig The KQG-150 underground percussion drill, a true marvel of modern engineering, has been meticulously optimized and ...

Looking for a reliable and affordable down the hole drilling machine? YG Machinery offers complete DTH drilling solutions including rig, air compressor, drill tools, and after-sales support.

An integrated down the hole drilling machine, also known as a one-piece drill rig, or crawler DTH drilling rig is a powerful and versatile machine used in the ...

Down-the-hole (DTH) drilling rigs are extensively used in metallurgy, mining, railway, hydropower engineering, national defense construction, dredging, earth and stone works and other ...

DTH Drill, also called shallow surface drill rigs and rock drills, combine performance and economy, Mainly used for mining, quarrying, railway, transportation, water, building materials, ...

Down the hole drill rig, also known as DTH drilling machine, is applied in mining, engineering, quarrying, geotechnical investigations, etc.

PVT is one of the most professional down the hole drill rigs manufacturers and suppliers in China. Welcome to wholesale bulk down the hole drill rigs in stock here and get pricelist from our factory.

When it comes to reliable, efficient, and powerful deep drilling, YG DTH hammer drilling solutions are in a league of their own. Whether you're tackling mining, quarrying, geothermal drilling, or ...

As one of the most professional integrated down-the-hole drilling rig manufacturers and suppliers in China, we're featured by quality products and competitive price. Please rest assured to buy ...

DTH rig machine, down-the-hole drilling rig, is a powerhouse drilling tool designed for deep, accurate, and efficient boring in demanding environments. Ideal for mining exploration, quarry ...

Yiyang down-the-hole drilling rig quotation

The KG420/KG420H drill rig is a hydraulic, diesel powered, self-propelled down the hole rig, designed for open use drilling operations. Equipped with a Yuchai four-cylinder engine, the drill ...

Surface Drill Rigs Surface Down-the-Hole Drill Rigs Rotary Blasthole Drilling Rig, KG310/KG310H Hole diameter: 78-105mm Hole depth: 20m Feed extension ...

XDH Series Portable Hydraulic Hard Rock Blasthole DTH Drill Rigs for Sale 1.Product Description XDH-110/XDD-110 hydraulic DTH drilling rig is widely applied to road, ...

YG Small DTH Drilling Machine DTH (Down-the-Hole) drilling technology places the hammer right behind the drill bit at the bottom of the hole. Instead of losing energy along the drill pipe, you ...

KQTG-150 Down-The-Hole drilling drig offers excellent fuel efficiency, improved safety and higher productivity in challenging rock conditions, which is used for ...

The DTH drilling rig (down-the-hole) is a highly efficient rock drilling equipment used in open-pit mines, stonework projects, road construction, and other scenarios. It is also called a shallow ...

As a seasoned manufacturer specializing in rock drilling equipment and associated tools, we export our range of rock drills, down-the-hole drills, top ...

He wanted to update his drilling equipment for years. Known locally for his expertise in small-scale mining and water well drilling, he often ...

Henan Yugong Machinery Co., Ltd. is a 19-year drilling rig manufacturer, mainly engaged in core drilling rigs, water well drilling rigs, rotary drilling rigs, down-the-hole drilling rigs, anchor drilling ...

The Small DTH (Down The Hole) Drilling Rig is a compact, mobile drilling machine designed for drilling deep and precise holes in a variety of geological conditions. These rigs are particularly ...

This integrated down the hole drill rig combines air compressor and drilling functions, perfect for DTH boring machine operations in mining.

About Us YG Machinery was founded in 2005, focusing on R& D and manufacturing of 8 series of drilling rigs, such as DTH drill, water well drilling rig, core drill and so on. Over 70 types of drill ...

The down-the-hole drilling machine is suitable for large-diameter blast hole rock drilling operations in small and medium-sized mines, road construction, water conservancy, and stonework, as ...

Yiyang down-the-hole drilling rig quotation

Down the hole drilling rig is to make the impactor dive into the hole in the process of rock drilling to reduce the energy loss caused by the transmission of the impact energy transmitted by the ...
