

Youyang Oil-free Screw Air Compressor Manufacturer

Is CMN the world's first oil-free screw air compressor?

With continued R&D investment, CMN, the screw air compressor manufacturer in China, has launched the world's first 40-bar oil-free screw air compressor with a water-lubricated air end and the world's first 1.2 MPa scroll air compressor, which filled an international gap.

Should you buy an oil-free compressor?

An oil-free compressor, on the other hand, is quieter and can power several workers at a time. If you're a contractor, the most important consideration will be the type of jobs you'll be doing. Higher air pressure means greater demand for air flow, and more pressure can damage the equipment.

Why should you choose CMN as an industrial air compressor supplier?

In 2015, CMN, as an industrial air compressor supplier, unveiled the world's first 40-bar pressure oil-free screw air compressor, showcasing our commitment to innovation. Currently, our facility for industrial screw compressors in China spans nearly 58,000 square meters, employing over 100 dedicated professionals.

Which is better oil free or oil lubricated air compressor?

Oil-free air compressors have a smaller footprint and require less maintenance than oil-lubricated air compressors. Although oil-lubricated air compressors are more expensive and heavier than oil-free air compressors, they are also ideal for stationary use.

Who makes oil-free air compressors?

Cangzhou Aoguang Machinery Equipment Co., Ltd. develops and produces oil-free air compressors. Now the company has developed into a new energy company with comprehensive services such as research and development, production, sales, installation, repair, maintenance and technical engineering.

Do oil injected air compressors need maintenance?

The air end of an oil injected air compressor uses oil for lubrication, so the air end does not require maintenance. However, since oil-related accessories need to be replaced, the cost is relatively higher than oil free compressor price. Using an oil-free air compressor can reduce the problem of waste oil disposal also.
