

Yubei down-the-hole drilling rig manufacturer

What is a DTH rig machine?

DTH rig machine, down-the-hole drilling rig, is a powerhouse drilling tool designed for deep, accurate, and efficient boring in demanding environments. Ideal for mining exploration, quarry operations, water well drilling, and construction projects, DTH rigs deliver unmatched performance in hard rock formations.

Who makes the best DTH drilling rigs?

As one of the most professional DTH drilling rig manufacturers, YG Machinery has developed and produced a series of down-the-hole drilling rigs of different models. And almost all have become hot-selling models. In addition, our down-the-hole drilling rigs are sold to many countries and regions in the world.

How did Drillrigy transform our business?

Drillrigy truly helped us transform our business. We are incredibly pleased with the comprehensive drilling solutions provided by Drillrigy. Their water well drilling rig, crawler drilling machine, and geothermal drilling rig proved instrumental in helping us successfully complete our sustainable energy project.

What is a down-the-hole drill rig?

The rock drilling principle of a down-the-hole drill machine is the same as a heavy-duty rock drill rig. The difference is that the impact mechanism of the down-the-hole drill - is a down-the-hole impactor. It is installed at the front end of the drill rod, and at the bottom of the manhole.

What is a YGL drill rig?

YGL type low-pressure crawler DTH drilling machine: left and right walking pressure: 13~14MPa, advancing pressure 10~11MPa, rotation pressure 8~9MPa. YGM type medium-pressure down-the-hole drill rig: left and right walking pressure: 17~18MPa, advancing pressure 12~16MPa, rotation pressure 10~14MPa.

What tools does Drill King manufacture?

Drill King manufactures the widest range of high quality Down the hole (DTH) tooling. From hammers, bits, shock absorbers, hole openers to casing systems and (WAI) water hammers and hole openers. Comprehensive range of DTH rock drilling tools for any tough environment.

Rock Drilling There are three methods of rock drilling for production holes: Rotary high rotational speed, low torque and thrust low ...

Our separated hydraulic down-the-hole drilling rig is an excellent economical series, which can save you the overall project cost. The percussion drilling equipment from the drill rig supplier ...

Are you wondering which kind of drilling rig and compressor are the best choices? Maybe you can find the

Yubei down-the-hole drilling rig manufacturer

answer in KAISHAN Group. We are the biggest air ...

A Down-the-Hole (DTH) drilling rig is a type of drilling equipment that drives a pneumatic hammer directly behind the drill bit at the bottom of the hole. This method delivers powerful, high ...

HAMMER DEVELOPMENT The Down-the-hole or DTH hammer is used for drilling holes through a wide range of rocks and associated materials and the variety of applications to which it can ...

Sinodrills have 16 years experience in manufacturing general rock drilling tools for open mine drilling industry,main including high performance dth ...

Rockmore International manufactures the finest and most efficient Down-the-Hole (DTH) hammers and bits for the mining, construction & water well industries.

Leading Manufacturer of Down-the-Hole (DTH) Drilling Equipment for Mining, Construction & Water Wells. Premium products at fair prices. Get a Quote Today!

In the world, there are hundreds of player, who making the Drill Rigs from one century ago. Their drilling machine cover almost all drilling ...

DTH rig machine, down-the-hole drilling rig, is a powerhouse drilling tool designed for deep, accurate, and efficient boring in demanding environments. Ideal for mining exploration, quarry ...

Core Drilling Rig YG core drilling rig is a multifunctional core drilling rig, mainly used for shallow hole core drilling with diamond or carbide drill bits. It is also ...

Video Description Products Description KT5 integrated open-pit DTH drilling rig is a drilling equipment that integrates DTH drilling system and screw air compression system. It can drill ...

Mincon"s DTH (down-the-hole) hammers are engineered to deliver outstanding drilling performance across all applications, while reducing energy ...

Smith Capital Equipment has been manufacturing Auger and DTH drill rigs for over 4 decades and our products include augering and down-the-hole rigs. Typically these are mounted onto ...

Down-the-hole drilling rigs | Choosing the right drilling rig You could need a drilling rig for a multitude of applications, for example to drill a well to access a ...

Drilling rig manufacturer providing tooling and machines for drilling rig companies. Geotechnical drilling rig manufacturers of equipment for faster, easier, safer work.

Yubei down-the-hole drilling rig manufacturer

Product description Drilling method: Down-the-holeHole diameter: 138-165mmDTH-hammer: 5 and 6 inches
The SWDE series is surface down-the-hole drilling rigs which have a drilling ...

YG specialize in the production of DTH drilling machine. Ideal choice for blasting holes in limestone, bluestone, granite, soil, etc.

Product description Drilling method: Down-the-holeHole diameter: 90-138mmDTH-hammer: 3.5, 4 and 5 inches
The SWDE series is surface down-the-hole drilling rigs which have a drilling ...

ZEGA TOP-HAMMER AND DOWN-THE-HOLE DRILL RIGS Introducing the ZEGA Drill Rig, the pinnacle of efficiency and precision in drilling technology. ...

Easey maintenannce The series of down the hole drilling diameter of 90-230mm and a maximum drilling depth of 36m. Meeting the drilling need s of vertical, inclined and horizontal blasting ...

Tirupati Enterprises (Unit of Tirupati Drilling Rig Pvt. Ltd.) has three decades of experience in the manufacture, distribution and sale of Down - the - hole ...

Product description Drilling method: Separated Down-the-holeHole diameter: 90-152mmDTH-hammer: 3.5, 4 and 5 inchesEngine brand: YuChai SWDQseries crawler hydraulic surface ...

Drillrigy renowned craftsman and supplier of Down-the-Hole (DTH) drilling machines that is a critical component in various industries across the globe. ...

Yugong drilling rigFrom water well drilling rigs, core drilling rigs, rotary drilling rigs, horizontal directional drilling rigs, down-the-hole drilling rigs, we have a rich ...

Buy drilling equipment, drilling supplies and spare parts for Reverse Circulation (RC), Down The Hole (DTH) and geothermal applications. Hammers, drill bits, pipes and more.

Down-the-hole drilling pipes Down-the-hole drilling pipes are engineered with cold-drawn seamless tubing material N80 to ensure straightness, thickness and high strength for a ...

Down the hole drilling rig is to make the impactor dive into the hole in the process of rock drilling to reduce the energy loss caused by the transmission of the ...

For most of our water well drilling rig, it can work with both reverse circulation and direct circulation drilling tools, such as our DTH crawler ...

Yubei down-the-hole drilling rig manufacturer

Yugong is a down-the-hole drill rig manufacturer. Its high-efficiency rock drilling equipment is widely used in open-pit mines, stone projects, road construction and other scenarios.
