

Yutong electric air compressor special oil

Who can join Yutong supply system?

Only suppliers which pass the test by international authoritative laboratories and Yutong quality inspection are allowed to join in our supply system. The strict access verification process ensures perfect matching of parts with buses to create greater values for customers. How to purchase spare parts?

Who is Yutong's direct service team?

Yutong's direct service team is your professional personal butler and trustworthy friend! Yutong develops and customizes parts with internationally renowned suppliers. Only suppliers which pass the test by international authoritative laboratories and Yutong quality inspection are allowed to join in our supply system.

Which lubricants are best for a rotary screw compressor?

Industry Leading OEM Oils & Direct Replacements Many leading compressor manufacturers--such as Ingersoll Rand, Quincy, and Sullair--recommend their own branded oils. These OEM lubricants are engineered to meet precise performance standards, especially in high-demand rotary screw systems. But they often come with a premium price tag.

What is air compressor oil?

Air compressor oil is a specialized lubricant engineered to withstand the extreme pressure, heat, and moisture conditions generated during compressed air production. It's not the same as automotive motor oil--compressor oil is formulated without detergents and additives that can cause foaming or deposit buildup in compressor systems.

What oil to use in an air compressor?

Customers using air compressors often discuss what oil to use in an air compressor. An air compressor can generally use a standard or synthetic oil with no issue. The category of oil diverges from one air compressor to another.

Can I use non-detergent motor oil instead of air compressor oil?

No, it is not recommended to use non-detergent motor oil instead of air compressor oil for your reciprocating air compressor. Non-detergent motor oil lacks the necessary additives for proper lubrication and can cause damage to your air compressor system.

Oil is the blood of an air compressor. It is one of the crucial elements for most air compressors to function normally, so it is important to ...

Long service life: Compressor main body part has the same lifespan as vehicle, having passed 500,000 cycles fatigue test, some field test still on-going, while long time working of rotary ...

Yutong electric air compressor special oil

Intelligent electric air compressor The integrated configuration accommodates HV power distribution for electric defroster, electric heating, and electric air conditioning, effectively ...

Cling EZDS series Bus Air Conditioner are ideal partner for electric buses & coaches, feature full DC solution, excellent performance, low energy cost, ...

Videos about What is Yutong Electric Bus Air Compressor Air Pump Air Filter2102-02113 2102-02847, Air Filter Origami manufacturers & suppliers on Video Channel of Made-in-China .

Find high-quality Yutong air conditioner compressors for efficient cooling. Shop our selection of durable, reliable, and efficient compressors for various bus models.

Note: Before using the air conditioner, first slowly turn the compressor clutch by hand or with tools, to facilitate compressor oil lubrication, thus avoiding compressor damage ...

Special oil for Yutong piston electric air compressor CH-4 5W-40 18L9301-04847 from Chinese Vehicles Parts & Accessories supplier - Mio Outdoor Sales Co., Ltd on tradechina
