

## Yuxi down-the-hole anchor drilling rig model

The RC140Y down the hole drilling machine is an efficient and multi-functional drilling rig in harsh environments. It can drill to a depth of 62 meters and have a hole diameter of 115-150 mm. ...

Related Drilling Machines As a professional drilling machine manufacturer and supplier, we not only provide DTH boring machine but also supply water well drilling machines, rotary drilling ...

The anchor drilling rig is mainly used in hydropower stations, railways and highways, in order to prevent and control various geological disasters, anchoring operations are carried out on ...

Crawler anchor drilling rigs are particularly well-suited for breaking through rock formations with a certain hardness coefficient. This is especially evident in their ability to penetrate moderately ...

HFGA-44 Affordable Mining Blasting Hole Drill/Crawler Down the Hole Hammer Drill Rig for Sale Compact size but powerful drilling capability. Applicable in surface quarry mining and varieties ...

Down the hole (DTH) drilling rig is the equipment that the impactor dives into the hole and directly impacts the drill bit, while the rotary machine drives the ...

Such products are provided ... Self drilling anchor tools, Down the hole Drilling Tools, Top hammer tools, Drag Bits, Down The Hole Tools, Casing system, DTH drill rods, bits, hammer, Top ...

It can drill vertical, inclined and horizontal holes, used for drilling and pre-splitting holes in open pit mines and stone works, etc.

The drilling rig can be interchanged between down-the-hole and top-hammer drilling to meet different application needs. And it is easy to transport due to its compact dimensions.

An integrated down the hole drilling machine, also known as a one-piece drill rig, or crawler DTH drilling rig is a powerful and versatile machine used in the ...

The anchor drilling rig is mainly used in landslide and dangerous rock mass anchoring projects to prevent and control various geological disasters of ...

Discover the ZGYX430S DTH drilling rig produced by Zhejiang Miningwell Machinery Co., Ltd, a specialist in drilling equipment production. ZGYX430s is portable, efficient, and designed for ...

## Yuxi down-the-hole anchor drilling rig model

Crawler Mounted Anchor Drilling Rig With Full Hydraulic Power Head Main drilling methods: conventional down-the-hole hammer drilling, casing pipe drilling, and spiral drilling. In the ...

Leopard(TM) DI550 diesel-powered, down-the-hole (DTH) drill has enhanced mobility, a smaller footprint and can serve multiple sites. Designed for DTH ...

The anchor drilling rig, also known as the anchor rig, is a rigging tool in the bolt support work of the coal mine roadway. It has outstanding advantages in ...

The Small DTH (Down The Hole) Drilling Rig is a compact, mobile drilling machine designed for drilling deep and precise holes in a variety of geological conditions. These rigs are particularly ...

Product Description JL-430s Down the hole anchor drill rig is a diesel and electric dual-use model, which can be power switched at any time. Equipped with ...

Our products are widely used in the scope of mining, water well drilling and exploration, anchor grouting project, side slope protection engineering, oil and gas engineering, underwater rock ...

The DTH drilling rig (down-the-hole) is a highly efficient rock drilling equipment used in open-pit mines, stonework projects, road construction, and other scenarios. It is also called a shallow ...

A Down-the-Hole (DTH) drilling rig is a type of drilling equipment that drives a pneumatic hammer directly behind the drill bit at the bottom of the hole. This method delivers powerful, high ...

Pdkj729s Fully Hydraulic Multi-Function Crawler Split Type Anchor Drilling Rig, Find Details and Price about Down The Hole Drill Rig Hydraulic Drill Rig from Pdkj729s Fully ...

Small Pneumatic Down The Hole Anchor Drilling Rig Rock DTH Rotary Drilling Rig for Slope Mining, Find Details and Price about Drilling Rig Drill Rig from ...

Leopard(TM) DI550 diesel-powered, down-the-hole (DTH) drill has enhanced mobility, a smaller footprint and can serve multiple sites. Designed for DTH blasthole drilling in mining, quarry and ...

DTH rig machine, down-the-hole drilling rig, is a powerhouse drilling tool designed for deep, accurate, and efficient boring in demanding environments. Ideal for mining exploration, quarry ...

Product Description Built specifically for slope and hillside stabilization, this DTH rig is perfect for rock anchoring, soil nailing, and reinforcement tasks. Its adjustable drilling head ...

It is a small and medium-sized open-pit down-hole equipment independently researched, developed, and

## Yuxi down-the-hole anchor drilling rig model

manufactured by our company. It is mainly ...

**Product Description** Product Description This model is a full-hydraulic gyrator-type anchoring engineering drilling rig, which is mainly suitable for engineering construction such as ...

Are you curious about the world of down-the-hole (DTH) drilling and its impact on mining operations? Look no further! In this article, we will delve into the fascinating world of DTH ...

MININGWELL is one of the most professional down the hole drilling manufacturers and suppliers in China, featured by quality products and good price. Welcome to buy discount down the hole ...
