

Zhucheng Engineering Construction Drilling Rig

Which companies does Xinjiang drilling have a lease agreement with?

At present, it has conducted leasing cooperation business with companies such as Zhongman Drilling, Tuha Drilling Company, Zhudong Drilling Company, Karamay Drilling Company, Anton Oil, Xinjiang Beiken, Qingyang Jishun, Yanan Tengtian and Shaanxi Baochun Company.

Who is Zhongman Petroleum Equipment Group?

Zhongman Petroleum Equipment Group Co.,Ltd. is a wholly-owned subsidiary of Zhongman Group,located in the Lingang New Area of China (Shanghai) Pilot Free Trade Zone. It specializes in the design,manufacturing,sales,leasing,and technical services of oil drilling and production equipment and is a high-tech enterprise in Shanghai.

Which ZPEC rigs are available for lease?

ZPEC has more than 30 sets of 675-ton,450-ton and 225-tontop drives for leasing. The top drive brands include ZPEC,BPM,Jinghong,Tianyi and Tesco. There are also more than 10 sets of electricity network equipment and 4 sets of ZJ70D/DB drilling rigs for rent.

AK150 crawler anchoring drilling rig, horizontal dust removal and slope protection drilling rig is a high-efficiency and multi-functional drilling rig independently developed by the company. The ...

Zhejiang Miningwell Supply Chain Management Co.,Ltd: With more than 20 years of experience in mining equipment production, D Miningwell has own ...

AK180 crawler anchoring drilling rig, horizontal dust removal and slope protection drilling rig is a high-efficiency and multi-functional drilling rig independently developed by the company. The ...

Sonic Sonic drilling rigs are known for their advanced technology and high efficiency, making them ideal for a variety of drilling applications, including ...

Drilling Drilling Perofrmance is an integrated drilling contractor providing a complete range of services in oil and gas well drilling and workover. Drilling Perofrmance applies the most ...

Find company research, competitor information, contact details & financial data for Zhucheng Fuyuan Well Drilling Co.,Ltd. of Zhucheng, Shandong. Get the latest business insights from ...

Established in 1992, Quzhou Sanrock Heavy Industry Machinery Co., Ltd. is a manufacturer specialized in the research, development and production of DTH ...

Zhucheng Engineering Construction Drilling Rig

ZSIM has 6 series of products and services: Underground Drilling Jumbos, Mines Drilling Rigs, Infrastructure Anchor Drilling Rigs, Old & Used Machines, Spare Parts and Accessories, ...

Discover everything about construction drilling--from traditional and modern methods to equipment, applications in deep foundations, oil wells, and ...

Understanding the equipment and tools used in drilling rigs is essential for petroleum engineers and drilling engineers alike. These ...

Drilling rigs serve as the backbone of various industries, from oil and gas exploration to geothermal energy extraction. However, the efficiency and safety of drilling ...

Our drilling machines are used in GSHP systems, engineering geological investigation, water well construction, water conservation industries. We specialize in engineering top-of-the-line ...

The masts and substructures of the drilling rigs are divided into double elevating type, once-raised type, continuous lifting type, bootstrap type, telescopic type, ...

Recently,Zhucheng Provincial HighwaySThe reconstruction project of 217 Zhuzhu Line is in full swing.,Trunk Road Builders Give Up Vacation,Stick to your post ...

Over the decades, we have excelled in designing, developing, and manufacturing state-of-the-art drilling rigs for a wide range of applications, including water well, exploration (Diamond and ...

Find company research, competitor information, contact details & financial data for Zhucheng Xuchen Construction Engineering Co., Ltd of Zhucheng, Shandong. Get the latest business ...

We have the expertise to deliver the turn-key projects and/or the engineering services you desire. Jelec delivers, whether it is comprehensive engineering solutions for a new drilling facility, ...

Discover everything about construction drilling--from traditional and modern methods to equipment, applications in deep foundations, oil wells, and concrete structures. A complete ...

Land rigs As mechanization made the hunt for hydrocarbons more ef-ficient, it had a direct efect on land rig design. The first land rigs were permanent wooden structures and would be left in ...

Epiroc is a one of the leading drill rig manufacturers in the world. We offer rock drilling machines and other equipment for many different applications. For ...

Our Commitment Is to provide expert drilling services with an emphasis on efficiency, timeliness and the

Zhucheng Engineering Construction Drilling Rig

safety of all involved. We support our clients' construction goals with extensive ...

Hengwang's main products include four major categories and over 40 types, such as drilling rigs, pile drivers, construction machinery, and parts. Relying on technological ...

The engineering services mainly cover drilling, wireline logging, mud logging, cementing, well completion, drilling fluid, directional well, and integrated wellbore technical services. At ...

Semi-submersible rigs are the most common type of offshore drilling rigs, combining the advantages of submersible rigs with the ability to drill in deep water. Semi-submersible rigs ...

Oil rig construction is a spectacular feat of engineering that feeds the world's insatiable desire for energy. These massive tasks, which are often ...

ZODRECO, LLC. Is an Oil & Gas Industry Construction & manufacturing Company providing a range of products and services to the Industry & Worldwideranging from Engineering, design, ...

Drilling Terms and Abbreviations Abandon - A well is "abandoned" if it is found to be a dry hole, noncommercial, or once it ceases to produce oil and/or natural gas in commercial quantities. ...

The high-torque rotator (up to 2340kgm or 16850 ft.lb torque) make it suitable for micropile and DTH drilling application. With the optional feature, "side swing device", the rig will have some ...

The successful execution of a large number of specialty geotechnical construction techniques necessitates the efficient and safe ...

ZZ Group machinery corp is a manufacturer who designs and produces geological exploration equipments (like drill rigs), coal bed methane equipments (like CBM drill rig), engineering ...
